Anything for My Aileen

(Tony Arata, George Marinelli, Jr., Pete Wasner)

There was a time when it came to love
I would never go so far as to commit
Aileen showed me “kinda” ain’t enough
And you’re only gonna get what you give

My Aileen taught me everything
All about something that I never knew
When you love—there’s nothing that you will not do
I’d do anything for my Aileen
Anything for my Aileen

There was a thing that you never heard
And it wasn’t all that very long ago
Before Aileen I never said the word
I would have never said “Forever” no
Would have never said “Forever” no

My Aileen taught me everything
All about something that I never knew
When you love—there’s nothing that you will not do
I’d do anything for my Aileen
Anything for my Aileen
