Don't Let Our Love Start Slippin' Away

(Vince Gill, Pete Wasner)

We've been up all night long
Tryin' to solve a problem
Hell, it's almost dawn
Ain't no time for sleepin'
If our love is wearin' thin
Cause I ain't givin' up
And you ain't givin' in

*Don't let our love start slippin', love start slippin' away
'Cause the life we've been leadin' gets harder every day
Don't let our love start slippin', love start slippin' away*

A wounded love walks a real thin line
No communication will kill it every time
So open up your heart—honey, we can work it out
'Cause we got the kinda love people dream about

*Don't let our love start slippin', love start slippin' away
'Cause the life we've been leadin' gets harder every day
Don't let our love start slippin', love start slippin' away*

We're past the point of right or wrong
Let's find a way to just hold on
