

such is life

tony arata

THE CHANGE

One hand
Reaches out
And pulls a lost soul from harm
While a thousand more
Go unspoken for
And they say what good have you done
By saving just this one
It's like whispering a prayer
Into the fury of a storm

I hear them saying
You ain't gonna change things
And no matter what you do
It's still the same thing
But it ain't this world
That I am changing
You see, I do this so
This world we know
Never changes me

One heart
Still believes
That love and mercy still exist
While the hatreds rage
And so many say
They say love is all but pointless
In madness such as this
It's like trying to stop a fire
With the moisture from a kiss

As long as one love still holds on
Hope is never really gone

Wayne Tester wrote the music for this and I am sure glad he did. A good man that I am grateful to call my friend, George Marinelli, Jr., helps me out on this version.
