Wild as the Wind

featuring Mackenzie Wasner

(Pete Wasner, Charles John Quarto)

Johnny grew up on the dark side of the law
Livin' in the shadows of the things he never saw
And Rosie came 'round in the way that good luck does
Just when you're lookin' elsewhere for what never was

*Wild as the wind—wild as the wind is
Wild as the wind is love*

So they teamed up, and they travelled on away
Lookin' for forever, lookin' for forever and a day
Now she brings him hope in the way that angels do
She says when I close my eyes, all I see is you

*Wild as the wind—wild as the wind is
Wild as the wind is love*

Every so often he gets a stray look in his eye
But she knows how to hold him
without ever askin' why

Night after night, year after year
Caught up in the wonder of whatever brought 'em here
But somehow he knows that wherever they may go
She'll still be settin' roses on their radio

*Wild as the wind—wild as the wind is
Wild as the wind is love*

*Chad Cromwell — drums
Michael Rhodes — bass
Greg Leisz — electric steel guitar, mandolin, Weissenborn slide solo
Mackenzie Wasner — lead vocal
Pete Wasner — fake acoustic piano, Hammond B3, harmony vocal*
